Name: Darina Bain

Age: 6

Skating Level: Basic 6

Grade: K

School: Welby Community

Coach: Colette Wardin

I have been skating since 2½ years old, progressed through group and private lessons, won 1<sup>st</sup> competition.

**What I love most about skating:** I love to learn new moves like the Spiral, Shoot the Duck, Lunges and Spins.

**When I am not skating, I like to:** I like to go to the park, the swimming pool, and I like to play soccer. I like to go to the Denver Zoo and the Butterfly Pavilion. I got to see Ann and Elsa at the Butterfly Pavilion and carve pumpkins once. I really like learning about trees, and birds and bees too! I love to go to school and I cannot wait for 1<sup>st</sup> Grade!
